

Our Epic heliski weekends with 15 helicopter flights, an exclusive guide, helicopter service and a first class accommodation. Livigno, the duty-free area southeast of St. Moritz is already known for many years for the excellent freeride and off-piste area. Since 2014, we are now working in the heliski area of Livigno, in cooperation with the community and our helicopter partner in Lombardy Elitellina. The large number of landings, runs and the magnificent mountain provides a true paradise for heliski. The alternative options on bad weather days like skiing off-piste in the ski resorts Mottolino and Carosello 3000 gives us a perfect backup on these days. After a fantastic skiing and snowboarding day, we enjoy the culinary side of Livigno.

Why with Heli-Guides Group to Livigno:

For more than 20 years, the team Heli Guides operates, we love skiing, riding and we've been working in this industry for decades, at first-class heli-skiing locations around the world. We know what it takes to build an awesome heli-ski trip. You benefit from our expertise and knowledge of our areas. That's why we offer a maximum of individuality and flexibility. Our highly experienced IFMGA guides will select the best descents according to the snow conditions and your ability. Putting safety first, their goal is to help you fulfill your dreams and expectations.

Snow information:

Thanks to the altitude of the area in Livigno there is a high guarantee of good snow conditions and quality. Regularly gets Livigno snow from the north and south. From December to mid March you can find mostly powder snow in the area and until May we can ski and snowboard in mostly perfect spring snow conditions.

Maximize your Heli-Skiing time with our small groups:

Small groups mean shorter waiting times between runs, so you can make the most of your time on the mountain. By using smaller, more agile helicopters, you can explore further and deeper into our majestic playground. We work with a maximum of 4 participants per mountain guide.
