5 days of heli-skiing including 15.000 vertical meter: Livigno, the duty-free area southeast of St. Moritz is already known for many years for the excellent freeride and off-piste area. Plenty of helicopter landings and a large variety of descents in all different expositions and steepness make it a fantastic place for heli-skiing and freeriding. Each new snowfall turns the magnificent mountain landscape in a true powder paradise. Thus, the alternative options like skiing off-piste in the ski resorts Mottolino and Carosello 3000 are not only a great backup option for bad weather days. Livigno is also a perfect spot for all those who are looking for a great combination of heli-skiing and off-piste skiing. After a fantastic skiing and snowboarding day, we'll enjoy the culinary side of Livigno.

Why with Heli-Guides Group to Livigno:

For more than 20 years, the Heli Guides team operates and we love heli-skiing and freeriding. We have been working in this industry for decades, at first-class heliski locations in the Alps and around the world. We know what it takes to build an awesome heliski trip. You benefit from our expertise and knowledge of our areas. That is why we offer a maximum of individuality and flexibility. Our highly experienced IFMGA/UIAGM guides will select the best descents according to the snow conditions and your ability. Always safety first, their goal is to help you fulfill your dreams and expectations.

Snow information:

Thanks to the altitude of the area in Livigno there is a high guarantee of good snow conditions and quality. In Livigno the snow comes regularly from the north and south. From December to mid March you can find mostly powder snow in the area and until May we can ski and snowboard in mostly perfect spring snow conditons.

Maximize your Heli-Skiing time with our small groups:

Small groups mean less wait time between runs, so you can make the most of your time on the mountain. By using smaller, more agile helicopters, you can explore further and deeper into our majestic playground. We work with max. 4 participants per mountain guide and a maximum of 4-5 groups in the area.

Helicopter:

Airbus Helicopter AS 350 Ecureuil B

Requirements:

You will need to be a safe off-piste skier in all conditions, and fit enough to cope skiing off-piste up to 3.000 vertical meters a day. For group bookings, we can take care individual of the skiing and group level.

Our heliski packages have a pre-defined number of night's stay, but we can tailor each package according to your wishes and needs. Please feel free to let us know your desired length of stay and we will quote you a customized package.

Hotel:

We have a selection of recommended 4* hotels in Livigno: Montivas Lodge, Lac Salin, Hotel Larice, Sport Hotel Livigno. These hotels are very well located to let you enjoy the heliski days and the Apres-ski life in Livigno.

MONTIVAS LODGE

The **Montivas Lodge** follow a fresh and innovative management based on eco-friendly philosophy: respecting the environment and the nature. Located a few steps from the cable car, it directly overlooks the slopes: ski-in & ski-out! Each Lodge is simple and comfortable, with balcony, wi-fi, TV with USB socket, safe, large bathroom with shower ... less futility, but lots of practicality! Every morning starts with a reach and healthy breakfast: rich in fiber, carbohydrates and anything else you need for a whole day in the snow. During the afternoon an alpine snack welcomes guests as they return to the brightness of the room, where a friendly bar and an efficient Wi-Fi line are always ready for a moment of relaxation after a busy day outdoor. The Montivas is located in the middle of the San Rocco district and it makes it easy to find many facilities or spend a fun evening in the many restaurants and pubs in the area. Forget the car and enjoy your holiday.

Itinerary:

- 1st day:** Hotel check-in. Meet & Greet with your guide to review your individual Heliski program and to do a material check.
- 2nd – 6th day:** Depending on snow, weather and avalanche conditions you will have to opportunity for heliski. In case of bad weather, off-piste skiing in the adjacent areas is offered. At the end of the last skiing day it will be time for farewell and to return the rental equipment.

Additional costs:

Additional helicopter flights including transfers flights (see point additional vertical meter), ski pass if necessary, rental ski and snowboard equipment, lunch, drinks and all other services are not included.

Additional vertical meter for more flights:

We can quote you the trip package with a number of vertical meter of your choice. Apart of that, we charge you on-site based on the effective vertical meter used in addition. The costs per group amounts to a total of 175.00 Euro for each 250 vertical meter. With a maximum of four participants per group, it means 43.75 Euro per person (incl. tax). Each run has between 600 and 1100 vertical meter.

Refund of helicopter flights:

There is no refund for down days in general. However, should the flight operation fail due to reasons such as wind, bad weather, avalanche danger or technical problems and the guaranteed vertical meter can't be reached in total, we refund each 250 vertical meter below the refund threshold at a rate of 150.00 Euro equal to 37.50 Euro per person in a group of 4 participants. There is no refund due to illness, accident, lack of fitness, insufficient skiing skills, late arrival and breaks during the ski day.
